Christ's Resounding Defeat of the Sanhedrin – part 2
Luke 20:27-40

REVIEW:

Jesus' authority and faithfulness to Scripture grants Him easy victory over every woefully inept branch of the faith and religion of Israel.

2 final points of application from Jesus' use of Scripture in this confrontation:

1. **Understand that God's nature and glory are at stake in every biblical-theological error.**

2. **Humble yourself under God's word so that it can speak over your life with the greatest clarity and authority possible.**
