**Holiness: Always within Reach!**
***"Separated from Sin to Celebrate with God"***
*Leviticus 19:5-8*

INTRODUCTION:

I. What is the peace offering and how was it to be offered, 19:5-8?

II. What glimpse into Jesus Christ does the peace offering provide?

1. *By God's grace, peace with God for sinners is possible only through the sacrifice of the innocent Substitute (Jesus).*

2. *By God's grace, joyful fellowship was designed to be an integral part of His peace with sinners through Jesus Christ.*

3. *By God's grace, acceptable worship of Him is on His terms alone (which are centered on Christ).*

4. *By God's grace, the alternative to His terms of worship in Christ have been made clear.*
