The Prayer That Promoted Gospel Proclamation

Acts 4:23-28 (part 1)

Sunday, May 13, 2012

INTRODUCTION (4:23):

Eight God-focused incentives promoted gospel proclamation in persecuted witnesses. Focus on:

1. **God's supremacy over all of creation, 4:24.**

2. **God's place for adversaries in His plan, 4:25-27.**

3. **God's sovereignty over His adversaries at the cross, 4:28.**

APPLICATION:

1. ***Constantly expand your knowledge of God's supremacy in Scripture - you will then rightly see your persecutor's puniness.***

2. ***Take the surprise out of persecution - expect it.***

3. ***Trust God's purposeful hand that guides your adversary.***
