

The Effects of Christ's Light on Believers (part 2)

Ephesians 5:11-14

Sunday, August 8, 2010

INTRODUCTION:

Christ's Light has 2 profound effects on the believer. Christ's Light:

I. Equips you for separation from sinners, 5:7-10. (Covered last week.)

II. Employs you in the salvation of sinners, 5:11-14.

APPLICATION:

- 1. Are you awake to God or asleep in your sin? Are you alive to God or dead in your sin? Are you darkness or are you light in the Lord?***
- 2. Are you eager to live a holy life?***
- 3. Are you eager to compassionately expose the sin of an unbeliever?***
- 4. Are you tempted to think that worldly living attracts unbelievers to the gospel?***
