

book of the month *Family Devotional* – Generations of Grace

This month we want to highlight *Family Devotional*, a brand new resource released by Generations of Grace—the curriculum used in Next Generations Ministries.

This unique book comes as a help to parents who struggle with leading family devotions. Whether you struggle to find the time or are overwhelmed by the prospect of preparing and leading a family devotion, this book can help. This book may also help to reinforce or supplement family devotions for parents who have developed good patterns in this area. Parents, in any case, *Family Devotional* is a resource that will help you raise your children in the instruction of the Lord.

Family Devotional unites the classroom with the home. Each weekly devotional has 5 brief lessons that enable parents to draw from Sunday's teaching to broaden the child's understanding of each lesson.

– John Dube

Each Weekly Devotional Includes:

- **Five-Day Devotionals** – Guides the family through the Generations of Grace lesson, a cross reference passage, and a passage about Christ to lead the family through the whole counsel of God's Word.
- **Explain** – Communicates the truth of each day to the parent's heart and mind to prepare them to lead their child through the passage.
- **Ask** – Foster greater interaction between parent and children whether they're 3 years old or 11 years old.
- **Discuss** – Enable the conversation about the truth to progress to a deeper level.
