Wellspring

"Above all else, guard your heart, for it is the wellspring of life." Proverbs 4:23

Wellspring is a discipleship ministry for the women at Grace Bible Church in which we interact with God's Word through teaching, discussion, and homework. This training specifically focuses on cultivating lives that are transformed by the gospel so that it impacts our hearts, our homes and our ministry.

We invite any woman to participate who is a believer in Jesus Christ and has made Grace Bible Church her church home. Those who have taken Wellspring in the past are encouraged to participate again as a way to spur other women on in their walk with the Lord as well as to continue to grow personally.

A significant highlight for those who are able to attend with their young children on Thursdays is the children's program. The children will be served by a gifted team of women from our church who are committed to leading the children through integrated activities centered around a Old Testament Bible story each week.

The commitment to Wellspring runs from September to April/May. There are two options:

Midweek Wellspring meets every other week on THURSDAY mornings from 9:00-11:00am. Children may be dropped off at 9:00am.

There is a children's program (ages 0-7) offered during this time led by a team of women from our church. (You will be asked to help in one of the classrooms several times throughout the year.)
