# Revelation 20 and the Millennial Debate

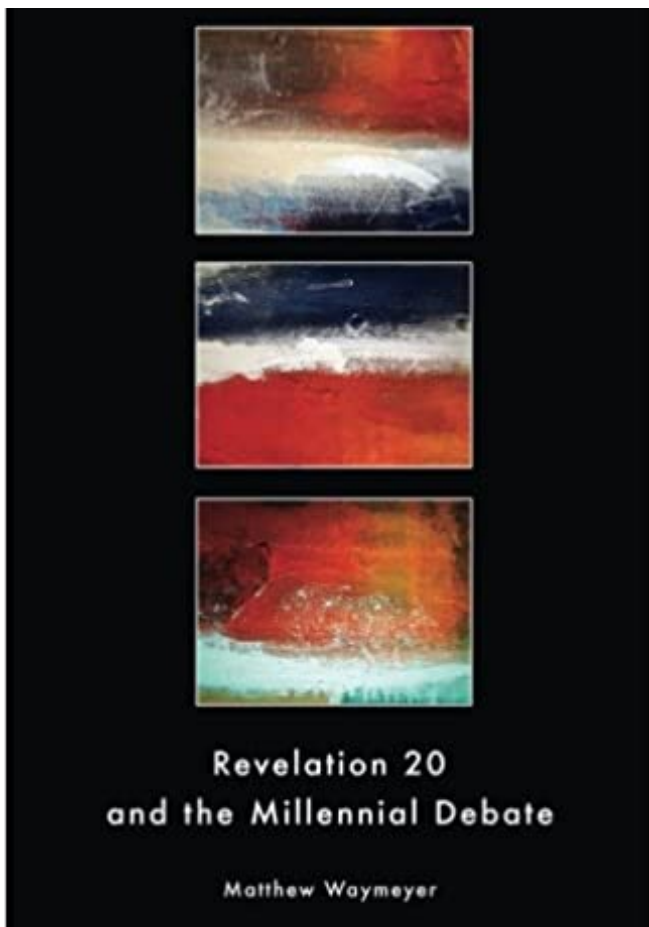

by Matthew Waymeyer

Eschatology (the study of the end times) is an all-too-often ignored doctrine for Christians. It is typically dismissed as unclear and confusing. But Scripture's teaching on the end times is clear and incredibly relevant.

In *Revelation 20 and the Millennial Debate*, Matthew Waymeyer explains the details of one supremely important passage on eschatology. He explains the differences between the various interpretations of Revelation 20 and carefully walks through the details of the text, examining the timing of Satan's binding, the nature of the first resurrection, the duration of the thousand years, and more.

The book emerged from Waymeyer's own personal interest in the subject and its format mirrors a past course syllabus. The outline format makes for easy reading as well as arguments that are helpfully articulated and easily attainable for beginners and scholars alike. This book is an excellent resource that, Lord willing, will serve to unite our church around the truth of what God says about the future.

— Omri Miles, Elder Intern and Deacon of the booktable

Suggested One-Month Reading Plan:  
(about 3 pages per day)

Week 1: February 1<sup>st</sup> – 7<sup>th</sup>

### Introduction

Chapter 1 — 5 pages

Chapter 2 — 7 pages

Week 2: February 8<sup>th</sup> - 14<sup>th</sup>

### Revelation 20:1-6

Chapter 3 — 17 pages

Chapter 4 — 12 pages

Week 3: February 15<sup>th</sup> - 21<sup>st</sup>

Chapter 5 — 8 pages

Chapter 6 — 8 pages

Week 4: February 22<sup>nd</sup> - 28<sup>th</sup>

Chapter 7 — 12 pages

### Revelation 20:7-15

Chapter 8 — 5 pages

Chapter 9 — 11 pages

## For Further Study

Matthew Waymeyer — “Revelation 20 & the Case for Premillennialism” (<http://www.gibcjupiter.org/media/?SeriesID=216>). This multi-session “super seminar” is, essentially, Waymeyer’s book in a six-hour format.
