

## book of the month | March 2024

### *The Christian Home* – Paul Shirley

For the first 3 Sundays in March, GBC will be teaching through a series on the Christian Home, working verse-by-verse through Ephesians 5:22-6:4, looking at God's instruction to wives, husbands, and children + parents.

This brief book by Paul Shirley will serve as a great companion to this series. Shirley shows how Ephesians 5:22-6:4 addresses the three most common causes of exasperation in the home—a family life not ordered according to God's Word, family members not growing in God's grace, and a family unit not plugged into the life of the church.

The author provides discussion questions throughout and helpful suggestions for how to read this book:

- Read it with your spouse and use the questions at the end of every chapter for discussion.
- Read it with your kids and give them a view of the family that confronts the sinful views from the culture they are growing up in.
- Read it with someone you are discipling and hold each other accountable on what you learn.
- Read it before the Lord with your Bible open and your heart humbly ready to submit.
