

becoming united in leadership disciplines

## Assignment for January 10, 2009

### *D3: The Ministry – The example of Paul, 1 Thessalonians 2:1-12 (Part 2)*

Q: What would happen to your ministry if the gospel is not central in your relationships, 2:1?

Q: Do you now have people in your sights and prayers, 2:2? If not, who will be?

Q: How much trouble exists in your relationships because of the gospel, 2:2! What might be some reasons for the absence of trouble in our relationships?

Q: What needs to happen daily to increase your God-given boldness to speak the gospel, 2:2?

Q: How well are you, not only assessing the spiritual level of another, but then gently stepping to their level to build them up, 2:7? Are there currently any new believers or 'not-yet-believers' in your life to step into?

Q: How is our effectiveness with the gospel impacted by the level (or absence) of affection for others, 2:8? Are there any relationships in which your love must be rekindled? How do you rekindle your affection for someone?

Q: Can you recall how an older, wiser believer personally made sacrifices so you could keep growing in the gospel, 2:9? For whom will you seek to do the same?

Q: How would you rate your own life on this combination (proclamation – incarnation/demonstration)? Where are you strong? Where are you weak? Why have you become weak there? What must happen to become stronger in that area?

Q: How would you rate our church on his combination (proclamation – incarnation/demonstration)? Where are we strong? Where are we weak? Why have we become weak there? What must happen to become stronger in that area?
