- Complete the “50 Ways to Love your Wife” handout. From this evaluation choose 3 specific things to work on over the next 2 weeks. What 3 did you choose and how did you do?
- (If married) from the “Questions a Husband Should Ask” handout, spend time with your wife evaluating yourself.
- (If single) From the “Questions a Husband Should Ask” handout, evaluate yourself and consider how you treat others. How are you doing at preparing yourself to be a husband?
