D1: The Heart – A biblical introduction to the heart (part 2).

An illustration for D1: The Heart (the relationship between the word of God and the God of the word).

See example prayers (handed out in our first meeting).

Review (from D1: The Heart – A Biblical Survey of the Heart).

- What is the heart?
- What can be said of the heart from Scripture? It is:
- Is the heart alert to this devastating condition?
- What is the highest calling of the heart?
- Does God see this predicament the heart is in?
- What is the greatest need of the human heart?
- What has God provided for our hearts?

Let's add 2 more observation from Scripture concerning the heart:

1. The description of the heart at the beginning of the Bible's story line.

- Genesis 6:1-8 (vv. 5-6)
- Genesis 8:20-22 (v. 21)

2. The danger pride exposes the heart to.

- Deuteronomy 17:14-20 (v.20)
- Psalm 101:4-5
- Proverbs 16:5
- Proverbs 18:12
- Hosea 13:4-6 (v. 6)
- James 3:13-18 (v. 14)

Summary points to consider:
