DUE SATURDAY, MARCH 17, 2012

The following are miscellaneous questions from the elders and your BUILD small group leaders. We want to gain a better grasp on a number of issues across the board at GBC. Would you be so kind as to answer them? If you prefer to answer **anonymously**, please feel free to do so. Thank you for helping us to accurately gauge our ministries and church. We appreciate you!

In regards to smallgroups at GBC (NOT your BUILD small group):

Q1: Are you in a smallgroup at GBC?

Q2: Why or why not?

Q3: Would you please share one strength and one weakness each for your smallgroup if you are in one?

In regards to your homework for BUILD:

Q1: Do you find the homework helpful and in line with what BUILD is aiming to accomplish in your life, or, does the homework seem unrelated to the BUILD disciplines?

Q2: When do you do your homework? Sooner than later, or, more toward the last minute? Why?

Q3: What hinders you from doing your homework, or, what do you find to be an obstacle to getting your homework done?

In regards to GBC in general:

Q1: What about GBC makes it "easy" to be your church? What do you find helpful and profitable about the church?

Q2: What about GBC makes it "challenging" to be your church? What do you find difficult to overlook in your church? What solution would you offer for improvement?
