D1: My heart... His Word (Psalm 119)

- Read Psalm 119:97-104.
- Make a list of the synonyms for God's word in 119:97-104. Is there a verse in this section that does NOT mention God's word?
- Can you honestly express the same affection towards God's word as the psalmist does in Psalm 119:97? Why or why not? If not, where does the solution lie for you?
- Read 119:98-100. What made the psalmist wiser than not only his enemies, but even his teachers and the aged around him?
- Based on 119:98-100, how should you think about age and wisdom? If you are older, does that mean you are wiser?
- Does your fleeing from sin look like the psalmist's, 119:101-104? What are you encouraged by in this? Where do you still need growth?
- Using some of the language from this portion of Psalm 119, write out a prayer to God concerning your desire to be wiser before Him or more holy before Him

The wisdom of God for staying away from sin:
