DUE: Saturday, May 10, 2014

Your participation this past year in BUILD has been greatly encouraging! Thank you for sacrificing as you have and for remaining faithful throughout the year. Your input and evaluation of BUILD is strongly desired. Will you please help us to improve BUILD by filling out this evaluation form and returning in on our last meeting, Saturday, May 10, 2014? Thank you again for your participation in BUILD!

Was meeting every other week helpful or a hindrance for you? Why?

How was the start and end time (6:45-9:15am) for you?

Can you please provide input on both the teaching and discussion group elements of BUILD?

What did you think of the homework? Was the amount helpful?

What would you like to see change the most so as to make BUILD more effective?

How do you think our church is being impacted by this ministry?

General comments?

What 3 men in the body would you like to see participate in BUILD next year?
