## II. The Corinthians' Repentance

Biblical repentance requires a **sorrow** that is according to the **will** of **God** (2 Cor 7:9-10).

A. Earnestness (2 Cor 7:11a)

***A persistent striving to correct a pattern of sin.***

B. Vindication (2 Cor 7:11b)

***A defense consisting primarily of the absence of the sin pattern.***

C. Indignation (2 Cor 7:11c)

***A feeling of anger over the decision to sin.***

The repentant man is indignant for the following reasons:

1. He has loved what God hates (Isaiah 9:3)
2. He has added to the sufferings of Christ (1 Peter 2:24)
3. He has deceived himself (James 1:14)
4. He has imitated spiritual deadness (Ephesians 2:1-3)

D. Fear (2 Cor 7:11d)

A ***healthy reverence*** for the One who is most ***offended*** by our sin.

E. Longing (2 Cor 7:11e)

A strong desire to ***restore*** the ***relationship*** that has been harmed because of sin.

F. Zeal (2 Cor 7:11f)

A passion motivated by both ***love*** and ***hate***.

G. Avenging of wrong (2 Cor 7:11g)

To ***apply a consequence*** that promotes holiness of life

### III. Encouragement for Us Today

Successful repentance requires **God's grace** and **man's effort**.

A. Grace - Christ's victory over death and sin enables your victory over sin (Rom 6:4-7)

Rom 6:4 - the ability to walk in newness of life

Rom 6:6-7 - freedom from sin's rule

B. Effort - your active participation in what grace has already enabled you to do (Phil 2:12,13)
