LOOKING BACK...

What will truly biblical teaching produce in God's household because it is the goal of biblical instruction?

How can you demonstrate that you agree with what God wants to accomplish through the preaching and teaching of His word?

If you know what God intends to accomplish in you through the preaching and teaching of His word, how should this impact the priority that you place on Equipping Hour, Sunday's main service, Sunday's evening service, and smallgroup?

What should you expect to occur in your own life when you submit to the biblical instruction at Grace Bible Church?

Knowing what God's word will accomplish in those who receive biblical instruction, what should your attitude be toward preparing and prioritizing your family's participation in church events? How should you be leading your family to think about Sundays?

LOOKING AHEAD...

In preparation for our next lesson (D1: Troubling and Comforting Truths for My Heart), write down your current practice of reminding yourself of the benefits that are yours because you are in Christ. Ask the Lord to prepare your heart and mind for His explanation of the blessings that are yours as His child.
