## build homework

**DUE: December 4**

Before you begin your homework, take some time to pray and direct your heart and mind towards God and His Word. Ask God for help in submitting your life and thoughts to His word that you might draw near to Him in this time. Ask Him to increase your desire to know and love and obey Him.

### **LOOKING BACK...**

Look back at your notes from November 20 (D2: Leading Our Households in the Management of Resources; Part 1) and remind yourself of God's heart for the household.

1. What surprises you about what scripture tells us about money?

2. What does the management of your resources tell you about your heart?

3. In light of what we just studied about God and our money, what is the first thing you are going to change?

4. Read 2 Corinthians chapters 8 and 9. After studying these chapters, how do you assess your giving? Remember only you can determine what is in your heart.
