LOOKING BACK...

What will truly biblical teaching produce in God's household because it is the goal of biblical instruction?

How can you demonstrate that you agree with what God wants to accomplish through the preaching and teaching of His word?

If you know what God intends to accomplish in you through the preaching and teaching of His word, how should this impact the priority that you place on Equipping Hour, Sunday's main service, Sunday's evening service, and smallgroup?

What should you expect to occur in your own life when you submit to the biblical instruction at Grace Bible Church?

Knowing what God's word will accomplish in those who receive biblical instruction, what should be your attitude toward preparing and prioritizing your family's participation in church events? How should you be leading your family to think about Sundays?

LOOKING AHEAD...

In preparation for our next lesson (D1: Guarding My Heart from Proverbs), consider and write out an answer to the following questions:

When was the last time you were tempted to sin and gave in?

What could you have done differently to fight that temptation before it became sin?

Do you recognize a correlation between your consistency in reading and meditating on God's Word and the way you relate to sin? Why do you think this is? Write out a prayer of at least 2-5 sentences reflecting on this, confess and ask God for help in repenting where appropriate.
