Name:
build homework
DUE: December 3
Before you begin your homework, take some time to pray and direct your heart and mind towards God and His Word. Ask God for help in submitting your life and thoughts to His word that you might draw near to Him in this time. Ask Him to increase your desire to know and love and obey Him.
LOOKING BACK Look back at your notes from November 19, (D2: Leading Our Households in the Management of Resources; Part 1) and remind yourself of God's heart for the household.
1. What surprises you about what scripture tells us about money?
2. What does the management of your resources tell you about your heart?
3. In light of what we just studied about God and our money, what is the first thing you are going to change?
4. Read 2 Corinthians chapters 8 and 9. After studying these chapters, how do you assess your giving? Remember only you
can determine what is in your heart.

5. Why might you be reluctant to continue to record your income and expenditures to see where you are now?
6. What keeps you from setting goals for your finances?
7. What risk do you take when you set up a plan to achieve your goals?
8. Are you prepared to reexamine your goals periodically and modify them if necessary?
9. Are you willing to take some risks?
LOOKING AHEAD In preparation for D1-4 - Biblical Decision Making, think about how you come to believe the Lord reveals His will in decisions you are about to make. Ask the Lord to give you an open mind to what Scripture has to say about the basis we should use in our decision making.
