## **D1—THE HEART: A WHOLE BIBLE SURVEY OF THE HEART**

**DUE:**  
**Saturday, October 26, 2013**

Begin your homework with prayer. Ask the Lord to increase your love for Him as you spend time in His Word.

### **LOOKING BACK...**

1. Review the notes from Lesson 3 (D1—THE HEART: A Whole Bible Survey of the Heart, October 12, 2013). Identify some of the Scriptures that helped you to grow in your understanding of the heart. How have the past several lessons helped you to grow in a biblical understanding of the heart?

### **LOOKING DAY BY DAY...**

2. How has your daily reading been going? How are you interacting with God in His Word on a heart level? Are you using this time to express love, worship, and thanks toward God? Are there ways you would like to grow in that? Take a moment to pray about how this is going.

3. Be ready to share with your discussion group something from your time with the Lord during your daily reading or an entry in your theme journal that encourages, challenges, or makes you thankful.

**LOOKING AHEAD...**

4. The next lesson will focus on the home (D-2 THE HOME: A Whole Bible Survey of the Home, October 26, 2013). In preparation, think about your relationships, both where you live (family, roommates, guests), as well as with family who live outside your home (e.g., grown children, grandchildren, parents, siblings).

Look up and summarize how the following verses relate to the home. Read the verses surrounding these passages to better understand the context:

Deuteronomy 4:9-10

Deuteronomy 6: 1-9

Acts 16:14-15

Titus 2:3-5
