D1: THE DISCIPLINE OF SHEPHERDING MY HEART

DUE:
Thursday, January 30, 2014

Begin your homework with prayer.
Review your notes from "Listening to Yourself vs. Shepherding your Heart Throughout the Day".

1) What was the most helpful thing you learned in this lesson? How will you apply it?

2) Think about how you currently shepherd your heart throughout the day. Look up and write out several verses from the "blue circle" page in areas you want to grow. Also spend time meditating on these verses in the upcoming week.
