D2—THE HOME: BUILDING OUR HOME WITH GOD'S WORD—Deuteronomy 6

DUE:
Saturday, April 12, 2014

Before you begin your homework, take a few minutes to quiet your heart and pray, thanking God for His Word and asking God to reveal more of Himself to you through His Word. Ask Him to increase your heart's desire to know and love Him.

LOOKING BACK...

Review the principles from the lesson. Reflect on the implications of one of the principles for your biblical care of your household and family. What ways does this give you a new perspective on your ministry within your household and family? How will this impact your life and home/family relationships this week?

Consider some of the things the Lord provides for us through His Word. Look up verses in the outline, or any of the following verses—
Psalm 1; Psalm 119:9-11, 34-38, 92, 97-104, 111, 129-130; Proverbs 3:1-2; Proverbs 6:20-24; Micah 2:7; Matthew 4:4; John 5:39; 17:17; Acts 20:32; Romans 15:1-4; 1 Thessalonians 2:13; Heb 4:12; James 1:21-25.

How can you use God's Word to offer care (as described in one of the verses) to someone in your household or family this week?

LOOKING DAY BY DAY...

List anything from your daily reading or something you have written in your theme journal that you could share with someone in your home. If you live alone, share with someone in your extended family or a frequent visitor to your home. Be ready to share with your discussion group how it went, or what you plan to share.
