D1—THE HEART: THE DISCIPLINE OF SHEPHERDING MY HEART IN PRAYER

**DUE:
Thursday, December 11, 2014**

Before you begin your homework, take a few minutes to read and pray through Psalm 100.

LOOKING BACK...

Review your outline and booklet from lesson 7 (D1-THE HEART: The Discipline of Shepherding My Heart in Prayer).

What about Jesus' prayer life impacted you?

Think about your prayer life. What things are going well? Are there ways in which you are discouraged in your prayer life? In what way would you like your prayer life to get stronger? How might you work on that? What from the lesson and/or booklet will you implement to develop a stronger prayer life?

LOOKING DAY BY DAY...

How have you been challenged from your daily Bible reading recently? If you chose a Bible reading theme, have you found anything related to your theme which has challenged you?

LOOKING AHEAD...

In preparation for our next lesson on Proverbs 4:23...

Consider the last time you were tempted and gave in to sin. What could you have done differently to fight that temptation before it became sin?

How was your heart affected by that sin?

What further consequences would there be if you don't repent, turning away from sin and turning back to obedience toward Jesus?

Read Proverbs 4:23.
