Lesson 1-thurs.

GRACE BIBLE CHURCH VISION AND PURPOSE

DUE:
Thursday September 17, 2015

As you begin this first lesson and new year in Wellspring, prayerfully read through Proverbs 9:9-10. Ask God to help you learn well so that you will grow in wisdom that flows from knowing and responding to Him rightly.

LOOKING BACK...

1. Review your outline and notes from lesson 1 (The GBC Vision and Purpose, September 12, 2015). What impacted you from the lesson? What encouraged or challenged you?

LOOKING DAY BY DAY...

The primary assignment in Wellspring is to daily meet with God as we read His Word and pray. In Wellspring we use a Bible reading plan to facilitate this. To understand why we place such importance on God's Word, this week's "Looking Day by Day" homework will reveal what the Bible says about itself, the wisdom it imparts and our responsibility to know and obey God's Word.

2. Summarize what the following verses say:
Psalm 119: 33-40

Prov 2: 1-15

Isa 66:1-2

Jn 8: 31-32

Jn 17:17

2 Tim 3:15-17

Heb 4:12-13

Read the instructions for Homework and Bible Reading in the Resource section of your notebook. If you do not currently have a Bible Reading Plan, choose one to begin by **October 1st**. Ask God to encourage, help, and strengthen you to meet with Him daily in His Word.

LOOKING AHEAD ...

3. In preparation for Lesson 2: The Heart—Gospel Implications for my Heart look up and write out the following verses:
Mt 12:33-35

Lk 6:43-45

Write out your observations from the 2 passages:

September Memory verse for Jerusalem Class

“By faith we understand that the universe was created by the word of God.”

~Hebrews 11:3
