**Lesson 16-Thurs.**

## **D2—THE HOME: BUILDING UP OR TEARING DOWN? (PROV 14:1)**

**DUE:**  
**Thursday, February 25, 2016**

Ask the Lord to help your love abound more and more through what you are learning in Wellspring and your own time meeting with God in His Word.

### **LOOKING BACK...**

Proverbs 14:1 says, "The wise woman builds her house, but the foolish tears it down with her own hands." In what ways, by God's grace, are you building your home? Are there ways that He has shown you that you are tearing it down? If so, how can you use the gospel to help you walk in repentance? Some areas of your home life to consider for these questions could include your heart attitude, your communication, and/or your actions, for example, how you spend your time, how you spend your money and resources, rest habits, priorities, etc.

What in this lesson is helpful in shepherding your heart? How might you apply what you have learned? How would that display the gospel?

**LOOKING DAY BY DAY...**

From your reading, how has God used something in your reading to shape your thinking or help to train you as a biblical woman?

**LOOKING AHEAD...**

In preparation for D2/D3-HOME/MINISTRY: Women Encouraging Women (Titus 2:3-5), read through the book of Titus.

If you have not listened to the message on Titus 2:3-5 ("Sanctified Lives part 2") by Scott Maxwell on January 24, 2016, please listen to the message.
