Lesson 17-Thurs.

D3 - MINISTRY: WOMEN ENCOURAGING WOMEN (TITUS 2:3-5)

DUE:

Thursday, March 10, 2016

Before you begin your lesson, read Ephesians 2:8-10. Also, read or sing the words of the song, "Grace Unmeasured" (available as a handout to add to your Wellspring songbook). Consider God's great and wonderful gift of grace to both save and sanctify believers. Take a few moments to prayerfully express your thanks and praise to God, and ask Him to help you respond rightly to His grace.

LOOKING BACK...

Review your notes from Women Encouraging Women, Titus 2:3-5. Read Titus 2:11-14 and 3:1-8. The gospel is the foundation for our obedience to grace's instructions. How does rehearsing the gospel strengthen your growth in godliness and your encouragement of others?

God also provides other believers to help us grow. Think of an older woman whom the Lord has placed in your life. How have you been influenced by her to follow the instructions from Titus 2:3-5?

Identify one character quality from Titus 2:3-5 where you need to grow. Prayerfully consider how you will, by God's grace, shepherd your heart with gospel truth in order to cultivate growth in the area you identified.

How will you, by God's grace, help other women grow in honoring grace's instruction? Think about your example, your words, and relationships you already have in the body of Christ.

LOOKING DAY BY DAY...

As you are continuing your daily Bible reading, look for and summarize at least one passage of Scripture that will help you grow as a Titus 2:3-5 woman OR that fits with the theme you chose.
