Lesson 16-Sat.

D3—MINISTRY: HOW THE BODY CARES FOR ITSELF (1 THESSALONIANS 5:14)

DUE:

Saturday, May 14, 2016

Before you begin your homework, read 1 Thessalonians 3:1-10. Pay special attention to Paul's words of affection and concern expressed for the Thessalonians. Prayerfully continue reading along with his prayer for them in verses 11-13. Ask God to cause you to increase and abound in your love for others in a way that imitates Paul's strong desire for the well-being of the beloved Thessalonians.

LOOKING BACK...

What was the most helpful part of the lesson on 1 Thessalonians 5:14? How is it helpful?

LOOKING DAY BY DAY...

As you continue in your daily reading, look for any examples of people who were unruly, fainthearted, or weak, and ways in which others ministered to them, OR, record things you read that might help you care for people when they are unruly, fainthearted, or weak.

LOOKING AHEAD...

In preparation for lesson 17 (D1 - the Heart: Jesus' Evaluation of the Church at Ephesus), read Revelation 2:1-7.

In preparation for our class sharing time on May 14, look through your Wellspring notebook and think about what God has done in your life over the last 9 months. Consider what you might want to share with the group about how God has used Wellspring to help you grow. Perhaps you would like to share your plans for continuing to grow in the Wellspring disciplines (heart, home, ministry) over the summer.
