Lesson 13-Sat.

## D2—THE HOME: BEARING GOD'S IMAGE IN UNITY AND LOVE

**DUE:**

**Saturday, April 8, 2017**

Begin your lesson by thanking God for His Word that reveals His design for His creation. Ask God to help you grow in your ability to be an image bearing woman of God, remembering that the gospel makes it possible for us to live according God's design.

### **LOOKING BACK...**

Review the lesson D2 – The Home: Bearing God's Image in Unity and Love and the supplemental resource (Biblical Conviction #7).

How was your perspective on being a Christian woman strengthened or changed?

How can you grow in bearing God's image of seamless unity and self-giving love . . .

In your relationships with others in the church?

As you submit to church authority and/or your husband?

**LOOKING DAY BY DAY...**

Read or sign “Be Thou My Vision” from the Wellspring songbook. In this hymn, the writer expresses his heart’s desire to remain near to God, faithfully keeping God as his foremost priority. What phrases in this hymn identify specific blessings that he had received (e.g. wisdom, truth, intimacy with the Lord, contentment, peace)?

How do the words of this song encourage you to persevere or renew your commitment to meet with God daily through His Word? How will you strengthen your time with the Lord this week? If you are really struggling to be in the Word, please talk with your Wellspring discussion group leader.
