Lesson 6

D1, D2, D3 – THE HEART, THE HOME, MINISTRY: WOMEN ENCOURAGING WOMEN (TITUS 2:3-5)

DUE:

Thursday, January 11, 2018 / Saturday, January 13, 2018

LOOKING BACK...

Review Titus 2:3-5 and your lesson notes. Why are the instructions for women in Titus 2:3-5 important (for both godliness and their relationships)?

Pray through each quality listed in Titus 2:3-5, asking God to grow your love for His design to strengthen your household and the church through your godly character and relationships with other women.

What is one specific way in which you will pursue greater godliness in one or more of these areas over the Christmas holidays? What actions might you need to take?

LOOKING DAY BY DAY...

Remember that the aim of your reading plan is to meet worshipfully with God in His word each day. In what ways are you seeking to do this in a worshipful way?

If you find this challenging, try at least one of the following suggestions each day and describe how it helped you to cultivate a heart of worship towards God.

- Begin with prayerfully reading or singing a song from the Wellspring songbook
- Pray through one of the following verses: Ps 16:11; Ps 19:7-11; Ps 119:2, 18, 38
- As you read, make a list of things about God that are admirable or praiseworthy, then pray through those things when you complete your reading to praise and worship Him.
