Lesson 8

D2—THE HOME: BEARING GOD'S IMAGE IN UNITY AND LOVE

DUE:

Thursday, February 8, 2018 / Saturday, February 10, 2018

Begin your lesson by thanking God for His Word that reveals His design for His creation. Ask God to help you grow in your ability to be an image bearing woman of God, remembering that the gospel makes it possible for us to live according God's design.

LOOKING BACK...

Review the lesson D2 – The Home: Bearing God's Image in Unity and Love and the supplemental resource (Biblical Conviction #7). Also review the Wellspring disciplines on the back of your notebook.

How does this lesson need to inform and impact your own practice of discipline one?

How can this lesson strengthen your practice of discipline two? (If you live alone, consider the people who come into your home as well as family outside of your home.)

How can you better display God's image of seamless unity and self-giving love in your practice of discipline three at Grace Bible Church?

LOOKING DAY BY DAY...

Read or sing "Be Thou My Vision" from the Wellspring songbook. In this hymn, the writer expresses his heart's desire to remain near to God, faithfully keeping God as his foremost priority. What phrases in this hymn identify specific blessings that he had received (e.g. wisdom, truth, intimacy with the Lord, contentment, peace)?

How do the words of this song encourage you to persevere or renew your commitment to meet with God daily through His Word? How will you strengthen your time with the Lord this week? If you are really struggling to be in the Word, please talk with your Wellspring discussion group leader.

LOOKING AHEAD...

In preparation for our next lesson about the life of Abigail, read 1 Samuel 25:1-39a. Then, write out everything you learn about Abigail in this text.
