Lesson 11

(D3: MINISTRY)

CARING FOR ONE ANOTHER IN THE BODY OF CHRIST (1 THESSALONIANS 5:14)

DUE:

Thursday, March 5, 2020 or Saturday, March 7, 2020

Before you begin your homework read 1 Thessalonians 2:4-8. Pay special attention to how Paul describes his care for the Thessalonians and his motive for ministering to them. Ask God to help you examine your heart in your method and motive for ministering to others.

LOOKING BACK...

What was the most helpful part of the lesson on 1 Thessalonians 5:14? How is it helpful?

LOOKING DAY BY DAY...

As you continue in your daily reading, look for any examples of people who were unruly, fainthearted, or weak, and ways in which others ministered to them. OR, be ready to share something you learned about God and how that has been an encouragement to you in your pursuit of godly living.

LOOKING AHEAD...

In preparation for our next lesson on Biblical Decision Making, think back to a recent decision you made that was substantial in some way. Record something you learned from the outcome of that decision, OR record your thoughts as you made that decision.

Do you believe that the Lord's will must be found in all decisions BEFORE that decision is made? Ask the Lord to give you an open mind to His design for us as we make decisions.

Wellspring Kids Memory Verse:

Psalm 100

to be memorized by the end of the year.
