Lesson 14

## (D1: THE HEART, D2: THE HOME, D3: MINISTRY) CULTIVATING A LIFE OF PRAYER

DUE:

Wednesday, April 7 / Saturday April 10

Before you begin your homework, take a few minutes to read and pray through Psalm 100. Praise God for all you see of Him in this Psalm.

### **LOOKING BACK...**

Review your notes from this lesson. What hindrances (see outline page 4) are the biggest struggle in your prayer life?

What are some practical ways you can guard against those hindrances?

In regards to the aids to a life dependent upon prayer, where do you see God's grace most evident (see outline page 5)? Give thanks to God!

Which aids need the most growth in your life? What are some specific ways you will pursue growth in those areas?

**LOOKING DAY BY DAY...**

Using the appendix on prayer, from the outline, choose 2 passages and pray through each one at least once per week.

Which two passages did you choose?

What was challenging about this?

What was helpful?

Consider your current practice of prayer in your daily devotion time with the Lord. Make a plan for each day of the week to include: prayers for your relationship with God, prayers for those in your home, and prayers for those in the body of Christ (consider your smallgroup, wellspring group, ministry partners, elders, etc). Note: You may pray for some people daily, some multiple times/week and some once/week.

### **LOOKING AHEAD...**

In preparation for the next lesson on The Hidden Person of the Heart, read 1 Peter 3:1-6 and record some observations that stand out to you.

Note how Peter begins with an external command and then moves inward. What does he seem to be saying is the root of this woman's submission and godly behavior?

### **Wellspring Kids Memory Verse:**

John 14:6

*"Jesus said to him, 'I am the way, and the truth, and the life. No one comes to the Father except through Me.'"*

To be memorized by the end of the year.
