Lesson 5

(D1: THE HEART) HONORING THE LORD IN OUR BIBLE READING

DUE:

Wednesday, November 16/ Saturday, November 19

Psalm 19:10 says that God's words are more desirable than fine gold and sweeter than honey. Ask God to use this lesson to increase your desire for Him and His Word.

LOOKING BACK...

Which of the 4 principles of preparing your heart before reading God's word did you find helpful?

Which of the 8 principles of using self-control while reading God's word did you find helpful?

What are some of the benefits of observing your passage carefully before you try to figure out what it means?

Some say that portions of the Old Testament aren't relevant to our lives today. How does this lesson address that?

LOOKING DAY BY DAY...

How well did you prepare your heart for your time reading God's word this week? How has seeking after God's glory in your Bible reading impacted your time in His Word this week?

LOOKING AHEAD...

In preparation for the Lesson 6, "Shepherding My Heart Throughout the Day", read Philippians 4:8-9. Write out two of your "go-to" passages that you use to shepherd your heart when you are struggling.

Several times throughout the week, carefully read the prayer- "An example of how the Wellspring disciplines might shape your prayerful approach to God through His Word" (in the RESOURCE section of your binder). Why do we prayerfully come before God with our Bible open? List as many reasons as you can.

Wellspring Kids Memory Verse:

John 20:31

"But these are written so that you may believe that Jesus is the Christ, the Son of God, and that by believing you may have life in His name." (ESV)
