Book of the Month

The book of the month for March is *The Christian Home* by Paul Shirley. For the first 3 Sundays in March, GBC will be teaching through a series on the Christian Home, working verse-by-verse through Ephesians 5:22-6:4. Shirley shows how Ephesians 5:22-6:4 addresses the three most common causes of exasperation in the home—a family life not ordered according to God's Word, family members not growing in God's grace, and a family unit not plugged into the life of the church. This brief book will serve as a great companion to this series. Pick up a copy at the book table for \$11.

Today's Next Generation Ministries lesson: 1 Kings 11:1-43 - God Punishes Solomon
