

The Incomparable Kingdom of God!

Luke 13:18-21

INTRODUCTION (to the kingdom of God):

In Luke 13:18-21, Jesus exposes His opponents and followers alike to 2 unanticipated characteristics of the kingdom of God which prepare all to see His kingly work among them.

1. The disproportion of the kingdom of God, 13:18-19.

2. The saturation of the kingdom of God, 18:20-21.

APPLICATION (of the kingdom of God): Faith!

1. We must have *faith to diligently pursue* the advancement of Jesus' kingship over our lives, our church, the nations.

2. We must have *faith to patiently rest* when the advancement of Jesus' kingship over our lives, our church, the nations is difficult to see.
