

Deception and Dangerous Days for Disciples

Luke 21:5-11

INTRODUCTION:

Prone to deception, Jesus' disciples must obey His warnings in order to be secured through the dangerous but necessary days leading up to His glorious return.

Explanation and Application:

1. Disciples live under the constant threat of deception (of the worst kind).
2. Jesus' first concern is to secure His threatened disciples.
3. Disciples cannot afford to be unconcerned about eschatology.

What does a secured disciple look like in these dangerous but necessary days?
