

Trying the Lamb without Blemish or Spot – part 1
Luke 23:1-12

INTRODUCTION:

The blamelessness of Jesus stands un-weakened though the hate-filled Sanhedrin hounds Him from Pilate to Herod and back.

1. Innocence hounded before Pilate, 23:1-7.

2. Innocence hounded before Herod, 23:8-12.

APPLICATION:

Total Inability: (I am incapable of overcoming my sinful bias against Jesus AND His righteous bias against me. Only God is capable of overcoming BOTH biases!)
