

Boasting in the Spirit Who Sealed Us!

Ephesians 1:13-14

INTRODUCTION:

Both God's present and ultimate possession of us is secured in Christ by the Holy Spirit.

- III. What does God guarantee in the Spirit's sealing work, 1:14a?

- IV. What is the present goal for God's possession, 1:14b? Worship!
 - What does this reveal about the foundation of biblical worship?
 1. *The foundation of my worship of God is His promise in salvation (not mine).*

 2. *The foundation of my worship of God is His personal commitment in salvation (not mine).*
