

Households for Christ: The Husband's Love (part 2)

Ephesians 5:28-32

Sunday, October 17, 2010

INTRODUCTION:

The oneness of the husband and wife in marriage simultaneously achieves two stunning outcomes:

1. A husband's love for his wife becomes more obvious to him, 5:28-29a.

2. Christ's love for His Body becomes less mysterious to all, 5:29b-32.

APPLICATION (How can a husband love his wife better?):

- 1. Keep before you BOTH the way you love your physical body and the way Christ loves His Body.**
- 2. Pray!**
- 3. Confess!**
- 4. Bring this "body" imagery into everything that tempts you to pull away from her.**
- 5. Hate divorce for the same reason Jesus does.**
