Sunday, October 24, 2010

INTRODUCTION:

Ephesians 5:33 summarizes God's basic but profound design for the husband and wife.

1. Husbands: Designed to instinctively love their wives, 5:33a.

2. Wives: Designed to earnestly respect their husbands, 5:33b.

APPLICATION:

1. *Your spouse's obedience is not the trigger for your own obedience.*

2. *Your God-given, new identity in the gospel is the trigger for your obedience.*
