

Day 7: God's Dramatic Change of Course

Genesis 2:1-3 (and miscellaneous Scriptures)

Sunday, June 5, 2011

INTRODUCTION:

God's dramatic change of course in the creation narrative is on full display on the seventh day:

What do we see?

1. God restricted His creating to six days (2:1-2)...

2. To reveal God's pleasure on the seventh day (2:3).

The Hook: What does God's change of course in 2:1-3 lay the foundation for?

Six questions:

- 1. Have you acknowledged the curse of sin on you that keeps you from the Redeemer's soul-rest?***
- 2. Have you become weary and heavy-laden as you live apart from Jesus Christ?***
- 3. Have you accepted Jesus' invitation to Himself and submitted your life under His Lordship in order to know His soul-rest?***
- 4. Have you rested from your own self-righteous works to rest in Jesus' work at the cross?***
- 5. Are you still passionately pursuing the salvation rest that Jesus offers in Himself?***
- 6. Are you eager for the fullness of Christ's rest in heaven and the eternal state?***
