

A Revelation with Uncommon Reliability

2 Peter 1:16-21

Sunday Night Worship Service - September 16, 2012

INTRODUCTION:

Four fundamentals that point to the uncommon reliability of Revelation in a world filled with lies:

1. The experience of the apostles was not to be underrated (1:16-18) . . .

2. But the Word of God is unequalled (1:19a).

3. Light from the Word must shine unfiltered (1:19b-20) . . .

4. Because the source of Scripture is unmixed (1:21).
