REVIEW:

5 opening scenes from the gospel's invasion of the city of Athens highlight how alien the gospel is in this world:

- 1. The city's idolatry, 17:16b. (From last time...)**
- 2. The missionary's spirit, 17:16a.**
- 3. The gospel's hope, 17:17, 18b.**

- 4. The philosophers' mockery, 17:18a. (Today, 2/23)**

- 5. The city's trendiness, 17:19-21.**
