REVIEW:

The reign of willful idolatry is overthrown only by the true knowledge of God. Do you know that:

1. **God won't confine Himself to the work of man's hands, 17:24.**
2. **God is never in need of man's help, 17:25.**
3. **God made from one man all men, 17:26-27.**
4. **God is the Father of the life all men live, 17:28.**
5. **God must not be reduced to His children's rebel-thoughts, 17:29.**
6. **God's remedy for man's willful idolatry is repentance, 17:30.**
7. **God has selected the day and the Man to judge all men, 17:31.**
8. **God must be believed, not mocked or put off, 17:32-34.**
