INTRODUCTION:

There are six phases in Paul's efforts to overwhelmingly secure our belief in the resurrection of the dead:

1. **The questions dismissing the resurrection, 15:35.**

2. **The rebuke defending the resurrection, 15:36-38.**

3. **The diversity resembling the resurrection, 15:39-41.**

4. **The diversity accompanying the resurrection, 15:42-44.**

5. **The men establishing the resurrection, 15:45-48.**

6. **The certainty guaranteeing the resurrection, 15:49.**
