

# Fatal Farewells

## Proverbs 1:20-33

*Sunday, March 26, 2017*

### INTRODUCTION:

*Wisdom is...*

*God's  
supremely valuable understanding  
by which He created and governs the world  
that He generously dispenses to His saints  
by His word  
so that they might fear Him  
and experience His blessings  
that is despised by fools*

*Six reasons no one fares well who says farewell to God's wisdom.*

#### **1. Wisdom's Repetition (20-21)**

#### **2. Wisdom's Rebuke (22-23)**

**3. Wisdom's Rejection (24-25)**

**4. Wisdom's Response (26-28)**

**5. Wisdom's Rejection (29-32)**

**6. Wisdom's Reward (33)**
