

The Problem of Israel

Romans 9:1-5

Sunday, February 3, 2019

Introduction:

Israel's rejection of Messiah poses a problem for the nation of Israel, for the integrity of God, and for the believers of God's promises. Paul introduces us to this problem by revealing three realities:

I. **Paul's sorrow (9:1-2).**

II. **Paul's desire (9:3).**

III. **Israel's privileges (9:4-5).**

a. **the sonship**

b. **the glory**

c. **the covenants**

d. **the law-giving**

e. **the service**

f. **the promises**

g. **the fathers**

h. **the Christ**
